Central Intelligence Agency

Washington, D.C. 20505

77-484/A

16 November 1979

Dear Virginea,

How good to hear from you again, and how thoughtful of you to think of me as a potential commencement speaker at Loyola Law School in May. I am, of course, delighted and honored to be considered. I would be most receptive to an invitation to speak at the commencement exercises, with the caveat that unforeseen events here in Washington between now and May might prevent my being there.

All the best.

Yours,

STANSFIELD TURNER

Mrs. Virginea Burquieres
